

Celebrate
Patriots' Day
with Drum Hill Chapter, NSDAR
April 16-19, 2021

Patriots' Day, the third Monday in the Month of April commemorates the Battles of Lexington and Concord, also known as the "shots heard round the world." Massachusetts observes Patriots' Day with the running of the Boston Marathon. Other states observing Patriots' Day include Maine, Wisconsin, Connecticut (2018), North Dakota (2019) and Florida. As America leads up to her 250th birthday in 2026, Drum Hill DAR is launching a Patriots' Day Initiative. We have many fun and some solemn activities planned. We hope you will join us!
